THE INDUCTION SERIES

▶ COURSE OVERVIEW

Welcome to the Child Safety Awareness online training course tailored for businesses operating within Australia.

In this awareness training course, we will explore the critical importance of child safety within the context of business operations, equipping you and your team with the knowledge and tools necessary to create safe and secure environments for children, and young people.

Child safety is a fundamental responsibility that extends beyond our homes and schools. Businesses, whether they operate in retail, hospitality, or any other industry, have a duty to ensure the safety and well-being of children and young people who may come into contact with your services or premises. This training is designed to empower you, and your employees to fulfil this duty effectively and responsibly.
