

Positive Workplace Behaviours

Professional Development Series

► COURSE OVERVIEW

A best practice workplace is essential for the well-being and productivity of employees, and begins with Positive Behaviours.

Our online course on creating a positive workplace through employee behaviours provides the knowledge and tools necessary to nurture a respectful environment, understand your responsibilities, and ensure a workplace free from health and safety risks.

Key Takeaways:

1. Learn what constitutes a respectful workplace. Understand the importance of having an environment where all employees feel valued and respected. Explore strategies to promote inclusivity and mutual respect among the team.
2. Discover your responsibilities as a manager or employee in creating and maintaining a positive workplace. Learn how to identify and address inappropriate behaviours, take proactive steps to resolve conflicts, and implement policies that promote a healthy and respectful work environment.
3. Gain insights into maintaining a workplace culture free from health and safety risks. Understand the importance of a safe working environment and learn how to identify potential hazards, and conduct risk assessments.

Transform your workplace into a positive, respectful, and safe environment.

Enrol today and take the first step towards nurturing a culture of positivity and respect in your organisation.
