

First Aid Refresher

(Non Accredited)

THE INDUCTION SERIES

► COURSE OVERVIEW

This Refresher First Aid online course will take you through realistic scenarios that are drawn from your industry. The aim of the course is to prepare you for emergencies and provide you with the confidence to take effective action as a First Aider within your workplace or just in everyday life at home or sport.

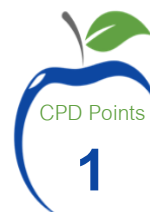

Completing this refresher First Aid course equips employees or families with up-to-date lifesaving skills and knowledge and ensures:

- preparedness for emergencies,
- reduces the severity of injuries, and
- enhances confidence in providing immediate assistance.

Regular training refreshes critical techniques, improves response times, and nurtures a safer environment at work and home. Ultimately, it empowers individuals to act swiftly and effectively in critical situations, potentially saving lives.

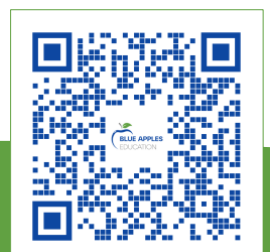

* Note: a 1-hour face to face, practical training session has been designed to allow participants to demonstrate and practice the concepts covered through instructor lead coaching. Available on request and additional fees - \$75.00 (+GST).

Delivery Mode:	Online
Course Time:	1.0 hour
Assessment:	Yes, online quiz
Issuance:	'Certificate of Completion'
Packages:	Bronze, Silver, Gold or Platinum
Customisation:	Available upon request. Fees apply

PRICING

\$60.00
