

Generic HSE

Health, Safety & Environment

THE INDUCTION SERIES

COURSE OVERVIEW

Welcome to the Generic Health, Safety and Environment Induction course.

Great businesses respect the value in nurturing a health and safety environment for their employees, and clients who enter the workplace.

This induction course provides the key information you need to know to protect the workplace environment, as well as looking after the health and safety of yourself and others, who are working in your business. This online course will outline workplace expectations and your responsibilities in the following areas:

- HSE Responsibilities
- WHS Management Systems
- Hazards and Incident Management
- Unacceptable Workplace Behaviours
- Mental Health and Wellbeing
- Workplace Environment
