BLUE APPLES EDUCATION

Challenging Workplace Behaviours

Professional Development Series

▶ COURSE OVERVIEW

Transform your workplace into a harmonious and productive environment by eliminating challenging behaviours.
Our online course equips Managers and Leaders with the tools and strategies needed to nurture a positive workplace culture, reduce conflicts, and enhance overall employee satisfaction and performance.

Key Takeaways:

1. Learn how to create and implement clear, fair, and consistent workplace policies. Understand the importance of setting expectations, defining acceptable behaviours, and establishing consequences for misconduct to maintain a respectful work environment.
2. Discover techniques for proactive conflict resolution and mediation. Gain skills to address issues before they escalate, promote open communication, and foster a culture of mutual respect and understanding among employees.
3. Explore a variety of activities and training programs designed to build a cohesive team. Learn how to conduct team-building exercises, workshops, and regular training sessions that encourage positive interactions and reinforce company values.

Creating a workplace free from challenging behaviours is conducive to success. Enrol today and take the first step towards developing a positive and productive work environment.
